

**BALLOT FOR ADMISSION TO:
CDN395H1: Independent Research in Asian Canadian Studies**

Description: An opportunity to write a substantial research paper in Asian Canadian Studies that integrates research methodologies and conceptual frameworks developed over the student's course of study. Students must have their topic and supervisor approved by the Asian Canadian Studies Program Director. Students will be expected to present their research findings at the Asian Canadian Studies Undergraduate Research Conference in the Spring term.

Prerequisite: CDN267H1 and CDN268H1 or permission of the Program Director. Please contact the Program Assistant (canadian.studies@utoronto.ca – UC173 – 416-946-4025) regarding enrolment procedures.

PROPOSED PROJECT TITLE:

DESCRIPTION OF PROJECT: on a separate, attached sheet, list the ultimate academic goals of your independent research, the nature of materials to be consulted, the accessibility of materials, etc. Be sure to include the specific assignments to be completed such as annotated bibliographies, literature reviews, oral or written reports, essays (specify approximate length), etc. – along with due dates. The main component of the course will usually comprise a research paper of about 30 pages. Please note that all course work must be completed before the last date of classes, and cannot extend into the exam period.
