*Due to the UC Revitalization Project construction, there is currently no wheelchair-accessible entrance to University College. Since the UC Quad is a high-traffic construction area during this phase of the project, the rear laneway has been blocked and entry must be restricted as a safety precaution. We will continue to evaluate the situation and we hope to be able re-open our barrier-free entrance this spring. If there is anyone who wishes to attend the event on May 8 and needs accessibility assistance, please contact [doingpoliticsdifferently@gmail.com](mailto:doingpoliticsdifferently@gmail.com) to arrange safe escort through the construction zone.*
